

Skylark Malta – Business English Centre

The **Skylark Business English Courses** have been designed to meet the specific needs and requirements of executives and business professionals. Our courses are ideal for professionals who need to improve their English skills for business and social purposes; while enjoying a short stay on the island of Malta.

Our courses are highly intensive and practical and are guaranteed to yield huge benefits for our students and their organisation. The content of each course is tailored to meet the precise and detailed needs associated with the student's own line of work.
